## Section 5: Explanation of Financial Assistance Need and Housing Stability Plan

### EXPLANATION OF FINANCIAL ASSISTANCE NEED

*The financial assistance programs are designed to provide relief from a temporary emergency that has affected your housing security and stability. In evaluating your application we will review both the causes of the emergency and what definitive steps have been taken and will be taken to preserve your housing opportunities moving forward. It’s therefore important that you provide a clear explanation of the cause of the temporary emergency (as well as verifications of the causes of the temporary emergency) as well as what steps have been and will be taken to prevent future crises (as well as verifications of these activities).*

**Please explain in detail the circumstances that caused your need for financial assistance at this time. Use additional pages if necessary. Please provide third party documentation that verifies the circumstances that caused your need for financial assistance (examples: employment termination letter, decrease in household income, documentation of payment for unexpected medical bills, etc.).**

## HOUSING STABILITY PLAN

*In evaluating your housing stability plan HCS will be reviewing the barriers, tasks, and goals you have identified. We will also evaluate the results of the activities you have already taken to secure stability in your housing. If this is not your first application for financial assistance, you are required to document the results of tasks you identified in previous housing stability plans. You must include documentation of all steps taken and if steps identified in your previous housing plan were not successful, you must describe and document the reasons. Housing plans that show no progress in meeting goals or provide no documentation of actual tasks accomplished will not provide the necessary support for your subsequent applications.*

**Please identify barriers you currently experience related to maintaining stable housing. Also, explain the specific steps you and your household have taken and will take towards stabilizing your housing situation to prevent the need for future financial assistance (attach additional pages if necessary).**

Barrier(s) to Housing Stability	Tasks to Overcome Barrier(s)	Housing Stability Goal(s)	Person Responsible for Completing Tasks	Date to Complete Tasks/Objectives
